For more details email: info@aa-riviera.org or call Mike 0608063646

A relaxing and special day for all the family. Enjoy the peace and natural tranquility of the island - where you can explore alone or meet with friends. You can come and leave at any time that suits you. Come early and you can swim before lunch, then bask in the open and calm woodland, or jog around the island as you choose.

The picnic is an open event to all who want to come, from near or far; all you need to bring is yourself and some food and drink.

There is no start or finish time for the picnic, so you can come and go as you please. We shall eat at lunchtime, which will probably start kicking off at around 12 midday, and the after lunch open-air AA meeting will start when everyone has finished their lunch. Please come and join us for a short or long period. We would love to see you.
